<p><strong><a href="http://mvs.gov.ua/en" target="\_blank" rel="noopener noreferrer">Ministry of Interior (Mol)</a><br></strong>During recent years, UNHCR has enhanced its cooperation with the Mol. The Mol strategic priorities are closely linked to UNHCR's strategic priorities, notably their supervision of the migration related activities in Ukraine and the development of the migration related policies and legislation.</p>

<p><strong><a href="https://dmsu.gov.ua/en-home.html" target="\_blank" rel="noopener noreferrer">State Migration Service (SMS)</a><br></strong><em>The Department on Foreigners and Stateless Persons of the State Migration Service</em> is the main counterpart of UNHCR in Ukraine. SMS was established in 2010 as a government institution coordinated by the Minister of Interior. Through SMS, the Minister implements the state migration policy on combating illegal migration, citizenship, registration of refugees and other categories of migrants. The SMS is responsible for the implementation of the Refugee Law. SMS's headquarters in Kyiv coordinate the work of 12 regional branches that examine first instance refugee determination status. UNHCR has close working relations with the central and regional offices of the SMS.</p>

<p><strong><a href="https://dpsu.gov.ua/en/" target="\_blank" rel="noopener noreferrer">State Border Guards Service (SBGS)</a><br></strong>Through UNHCR's active support, in particular during the cooperation under a number of projects in 2010 -2015, the main international airports, border-crossing points and temporary holding facilities are equipped with information stands on asylum. The official curriculum for the human rights training of border guard officials was developed jointly with UNHCR. UNHCR continued to involve SBGS into training and coordination events related to asylum during 2015-2017, including at the regional level through the QIEE events.</p>

<p><a href="https://court.gov.ua/" target="\_blank" rel="noopener noreferrer"><strong>System of Administrative courts</strong></a><br>Following many years of very close and successful cooperation with the Higher Administrative Court of Ukraine and the National School for Judges, UNHCR has already established a cooperation with the newly reformed Supreme Court of Ukraine in the areas pertaining to UNHCR's mandate. The forms of cooperation involve, inter alia, the organization of workshops and seminars for judges dealing with asylum cases in the administrative courts of Ukraine.</p>

<p><a href="http://www.legalaid.gov.ua/en/" target="\_blank" rel="noopener noreferrer"><strong>Coordination Center for Legal Aid Provision</strong></a><br>A free legal aid system was established in Ukraine on 2 June 2011, following the adoption of the law of Ukraine "On Free Legal Aid" with the Coordination Center for Legal Aid Provision created in 2012. Since then, UNHCR has been actively engaged in providing support to their staff and advocates collaborating with the Center. In 2018, UNHCR developed a comprehensive plan detailing areas of collaboration and coordination between the Center and UNHCR as well as activities aiming at strengthening their capacity to handle asylum, statelessness and displacement related cases.</p>

<p><a href="http://www.ombudsman.gov.ua" target="\_blank" rel="noopener noreferrer"><strong>Ukrainian Parliament Commissioner for Human Rights</strong></a><br>The Ombudsperson for Human Rights is a critical partner, as the specific situation of IDPs, refugees and stateless persons is integrated into the National Human Rights Strategy of Ukraine. For a number of years, UNHCR has been collaborating with the Ombudsperson's Office, from the referral of individual cases to the organization of joint events. Preventing and

combating discrimination is also part of the oversight role of the Ombudsperson for Human Rights and a cross-cutting concern for UNHCR.

**<https://mtot.gov.ua/>**Ministry for Veterans, Temporarily Occupied Territories and IDPs

It was established in April 2016. UNHCR has actively cooperated and supported the ministry since its establishment. Key areas of cooperation include:

- Legislation: The Ministry has been supporting the functioning of various ad hoc working groups convened to elaborate new or amend existing legislation in the area of protection of IDPs and conflict-affected populations. The topics covered included IDP registration, housing issues, access to education, birth and death registration and other issues. UNHCR has provided expert legal advice to the legislation proposed by the Ministry.
- Communication: UNHCR has supported the Ministry in its strategic communications, such as by providing a communications consultant and translator, and other technical support services.
- Checkpoints: The Ministry continues to advocate within the government for better conditions at the checkpoints. At the specific request of the Ministry, UNHCR purchased body cameras for use by border guards at one checkpoint in the East as an anti-corruption measure. UNHCR also improved weather shelters at the checkpoints both in the East and at the administrative boundary with Crimea.
- Housing for IDPs: UNHCR put together a small team, including financial and legal specialists, to design pilot housing project for IDPs. The project would be implemented jointly by municipalities and international NGOs, and funded by the German investment bank KfW channelled through MinTOT. In surveys and through focus group discussions, IDPs consistently identify affordable housing and employment as their top priorities and key to their integration.

Russia's invasion of Ukraine on 22 February has brought devastation to the country, with millions of Ukrainians fleeing their country and its government seeking support from around the world.</p>

<p>

The impact of the war is global. The UK, US, EU and other countries have imposed unprecedented financial and trade sanctions on Russia and provided arms and other aid to the Ukrainian government. The invasion has thrown the West's post-cold war foreign and defence policy into question and looks set to see major changes in global energy policies.</p>

<p>

Here we bring together the Institute's analysis and insights into the UK government's response and how the crisis in Ukraine affects the UK's economy, its energy policy, and approach to defence and global security.</p>

 <h2>Latest Travel Alert</h2>
 <p>The Department of Foreign Affairs is closely monitoring the situation in
Ukraine together with our EU and other international partners.</p>
 <p>The Department strongly advises against all travel to Ukraine, for any
purpose. Irish citizens in Ukraine should leave if safe to do so. The situation
remains extremely dangerous across all of Ukraine, including in western regions,
with missile attacks continuing countrywide. The capacity of the Department to
provide consular assistance to citizens in Ukraine is extremely limited.</p>
 <p>Irish citizens in Ukraine who have not already done so should register their
details and those of any dependants here</
strong>. Any citizen requiring emergency consular assistance in Ukraine

```

can call the Department on [+353 1 408 2000](tel:+353 1 408 2000).

Ukraine's airspace is closed. Most over-land routes out of Ukraine are severely disrupted with long delays, including at border crossings, and some routes may face closures at short notice.

Check our travel advice on [www.dfa.ie/travel](http://www.dfa.ie/travel) for any neighbouring country that you are planning to travel to or through. Useful links are below:

- [Hungary](https://www.dfa.ie/travel/travel-advice/a-z-list-of-countries/hungary/)
- [Moldova](https://www.dfa.ie/travel/travel-advice/a-z-list-of-countries/moldova/)

- [Slovak Republic](https://www.dfa.ie/travel/travel-advice/a-z-list-of-countries/slovakia/)

If you believe you cannot leave safely, you should shelter in a secure place and monitor developments closely. Keep your situation and departure plans under constant review and ensure your travel documents are up to date. Bear in mind that communication lines (phone, internet) may be disrupted.

Martial law has been declared in Ukraine. Citizens should closely monitor the advice of local authorities and reputable media sources.

The Department advises all Irish citizens to follow all regulations, including curfews in force in Kyiv or elsewhere in Ukraine. Breaking curfew and moving around the city when there is active conflict ongoing or potential for this to occur without any warning is extremely dangerous. The authorities have stated clearly that those venturing outside will be regarded as members of sabotage groups.

The International Organization for Migration has set up information and support hotlines for persons seeking to leave Ukraine. Anyone in Ukraine can call 527 (free from mobile phones), [0800505501](tel:0800505501) (free from landline phones) and information on calling from neighbouring countries is [available here](https://www.iom.int/iom-hotlines-persons-fleeing-ukraine).

Visas for Ireland

Visa requirements between Ukraine and Ireland have been lifted. This applies as an emergency measure to all Ukrainians travelling to Ireland. More information from the Department of Justice including frequently asked questions is available here: [FAQs - for Ukraine Nationals and Residents of Ukraine - Immigration Service Delivery \(irishimmigration.ie\)](https://www.irishimmigration.ie/faqs-for-ukraine-nationals-and-residents-of-ukraine/)

### COVID-19 Public Health Measures

The Government of Ukraine is implementing a four-level [“adaptive quarantine”](https://moz.gov.ua/article/health/22-travnja-rozpochavsja-drugij-z-p%e2%80%99jati-etapiv-vihodu-iz-karantinu) plan on a regional basis.

If you are in Ukraine, you should monitor developments regularly and follow the advice of local authorities.

**Crimea**

The Department of Foreign Affairs is unable to provide consular assistance to Irish citizens in Crimea. We strongly advise against all travel to Crimea. Russian forces and pro-Russian groups have established full operational control in Crimea.

In light of developments, the Department of Foreign Affairs advises all Irish citizens currently in Ukraine to shelter in a secure place.

<p>However, citizens should consider leaving Ukraine if they judge it safe to do so, depending on their location and prevailing circumstances.</p>

<h1 class="content-heading ">Local laws and customs</h1>

<p>Remember, the local laws apply to you as a visitor and it is your responsibility to follow them. Be sensitive to local customs, traditions and practices as your behaviour may be seen as improper, hostile or even illegal.</p>

<h3><strong>Personal identification</strong></h3>

<p>Always carry your passport as the police often carry out passport checks on foreign nationals. Only original passports are accepted by the police in these circumstances because they are usually trying to establish your status in Ukraine.&nbsp;If you are detained, you should request an official police report.</p>

<p>Police officers must introduce themselves by name, post, rank and tell you the reason they are checking you (ID check). They must also show you a document verifying their identity.</p>

<h3><strong>Illegal drugs</strong></h3>

<p>Penalties for drug offences are severe. The sale and distribution of drugs on the street is illegal and these drugs are often hazardous counterfeits.&nbsp;</p>

<h3><strong>Public order offences</strong></h3>

<p>Smoking and drinking alcohol in public places such as public transport, bus stops, underground crossings, playgrounds, parks, cultural and sports venues and government establishments, are officially prohibited.</p>

<h3><strong>Photography</strong></h3>

<p>You are not allowed to take photographs near government or military establishments.</p>

<h3><strong>Cultural artefacts</strong></h3>

<p>There are strict rules governing the export of antiques and items of historical interest. If in doubt, get permission from customs authorities before you attempt to export any item from the country. Failure to comply with local rules may result in fines, confiscation of property or delays in travel.</p>

<h1 class="content-heading ">Health</h1>

<p><strong style="font-size: 1.17em;">Vaccinations</strong></p>

<p>Check your doctor a minimum of eight weeks in advance of travel to see what vaccinations you may need for Ukraine.</p>

<p>A small number of cases of polio have recently been diagnosed in Ukraine. Polio vaccination is recommended for all travellers from Ireland to countries where polio transmission is a risk. Before travelling to areas where poliomyelitis cases are still occurring, travellers should ensure that they have completed the recommended age-appropriate polio vaccine schedule and have received a booster dose, if necessary. More information is available on the <a href="http://www.hpsc.ie/">Health Protection and Surveillance Centre website</a>.</p>

<h3><strong>Sexually transmitted disease</strong></h3>

<p>There is a high level of sexually transmitted diseases in Ukraine and HIV is reportedly widespread. You should exercise necessary caution if engaging in activities that expose you to possible infection. If you suspect that you have been exposed to possible infection, you should seek immediate medical attention.</p>

### <h3><strong>Radioactive contamination</strong></h3>

<p>The risk of radioactive contamination from the 1986 accident at Chernobyl is insignificant, other than within the exclusion zone immediately around the Chernobyl site and you don't need to take any special precautions.</p>

### <h3><strong>Travel Insurance</strong></h3>

<p>We can't pay for emergency medical repatriation, repatriation of remains, or for expenses as a result of a personal emergency while you are abroad. If you buy an appropriate travel insurance policy, these costs will be covered, provided you haven't broken the terms and conditions.</p>

<p>Buying comprehensive travel insurance can save you and your family a lot of money if something goes wrong. It will also ensure that you get the medical attention you need, when you need it. Hospital bills can quickly run into thousands of euro, and a medical evacuation back to Ireland can cost thousands more.</p>

<p>Not all policies are the same, and the cheapest one might be cheap for a reason. Make sure your policy covers all the activities you plan to do on your trip. <a href="http://www.insuranceireland.eu/consumer-information/general-non-life-insurance/travel">Insurance Ireland recommend</a> that you purchase a policy that provides a minimum medical cover of €1 million.</p>

### <h3><strong>Emergency expenses</strong></h3>

<p>Your policy should cover:</p>

<ul>

<li>All medical care abroad, including evacuation by air ambulance, or other emergency procedures, and any other costs associated with an unexpected longer stay.</li>

<li>Your entire trip, from departure to return. Consider an annual multi-trip policy if you're making more than one trip in the year.&nbsp;&nbsp;&nbsp;&nbsp;</li>

<li>24-hour emergency service and assistance.</li>

<li>Personal liability cover (in case you're sued for causing injury or damaging property).</li>

<li>Lost and stolen possessions.</li>

<li>Cancellation and curtailment.</li>

<li>Any extra activities you intend to do that are excluded from standard policies (e.g. water sport activities such as jet skiing or other extreme sports).</li>

</ul>

<p>Exclusions: You should know most insurance policies will not cover drink or drug-related incidents.</p>

### <h3><strong>Water</strong></h3>

<p>We advise you to boil tap water before drinking it. Bottled water is readily available.</p>

 <h3>Entry requirements (visa/passport)</h3>
 <p>If you are unsure about the entry requirements for Ukraine, including visa
 and other immigration information, ask your travel agent or contact the nearest
 Embassy of Ukraine.</p>
 <p>Following the illegal annexation of Crimea by the Russian Federation,
 Russian officials exercising de facto control of the territory are requiring Irish
 citizens seeking to enter Crimea to have a Russian Federation visa obtained from
 the nearest Russian Embassy. Those who do not comply with these “visa
 requirements”, including the expiry date indicated, can be subject to arrest,
 fines, and/or deportation by those exercising de facto control. It should be noted
 that the ability of the Embassy to intervene in such cases is extremely
 limited.</p>
 <p>You can also check with them how long your passport must be valid
 for.</p>
 <h3>Passports</h3>
 <p>It’s advisable to take a number of photocopies of your passport with you
 when travelling to Ukraine and you should carry your passport at all times during
 your stay.</p>
 <h3>Money</h3>
 <p>The official currency of Ukraine is the Hryvnia (UAH). Euros and US dollars
 are the easiest currency to exchange in Ukraine, but only use banks and official
 exchange booths. Depending on the amount to be exchanged, you may need a
 passport and/or other ID. When you’re exchanging currency, you should get an
 official receipt, known as an NBU form № 377. Hold on to this receipt
 because you may need it to exchange Hryvnia to other currencies when you
 leave the country.</p>
 <p>ATMs are available in Ukraine and credit cards are widely used but not
 universally accepted in cities. Beyond larger urban centres, we advise you to
 carry enough local currency to meet your needs.</p>
 <p>Take particular care when exchanging money to safeguard your passport
 and credit/ATM cards and don’t lose sight of them during transactions.</p>
 <h3>Transport</h3>
 <h3>Hiring a vehicle</h3>

```

<p>If you're hiring a vehicle, we advise you not to hand over your passport as a form of security. If you're allowing your passport to be photocopied, keep it in your sight at all times.</p>

<p>Check that you have adequate insurance and read the small print of the vehicle hire contract (particularly any waiver that will come into effect if the vehicle is damaged).</p>

### <strong>Crime on public transport</strong></h3>

<p>Be careful on public transport as it is popular with pickpockets and bag snatchers. Take particular care on any overnight trains. We recommend, if possible, travelling with someone else and in a compartment that can be secured from the inside.</p>

<p>The situation in Ukraine threatens the lives of millions of men, women and children who, through no fault of their own, will be forced to make the heart-breaking decision to leave their homes behind in search of safety.</p>

<p>We are calling on the government to take urgent action to ensure people fleeing Ukraine are able to reach the UK and access the protection they need.

&nbsp;Read our policy calls <a href="https://www.refugeecouncil.org.uk/our-calls-to-the-government-on-ukraine/">here</a></p>

<h4><strong>How you can help Ukrainian people </strong></h4>

<p>Refugees, including those fleeing Ukraine, have had their lives and families torn apart by war.</p>

<p>With the conflict in Ukraine adding to the record numbers of people displaced by conflict, we expect to see thousands of refugees arriving in the UK over the coming months in desperate need of a warm welcome and expert support.</p>

<p>We have launched an emergency appeal to help people recover from the trauma of war and to rebuild their lives here in the UK. Please donate <a href="https://act.refugeecouncil.org.uk/donation/donate-refugee-crisis-appeal">here</a></p>

<h4><strong>Other ways to help</strong></h4>

<p>The government have recently announced a new scheme called 'Homes for Ukraine', that will allow communities, private sponsors or local authorities to sponsor people to come to the UK from Ukraine.&nbsp; Sponsors will be expected to provide accommodation for people arriving under the scheme for a minimum period of 6-months.&nbsp; &nbsp;The government have set up a dedicated website to allow people to register their interest in the scheme.&nbsp; You can find out more info and register for the scheme <a

href="https://homesforukraine.campaign.gov.uk/">here.</a>&nbsp; The government have also&nbsp; published a set of frequently asked questions that you can find <a href="https://www.gov.uk/guidance/homes-for-ukraine-scheme-frequently-asked-questions?utm\_medium=email&utm\_campaign=govuk-notifications-topic&utm\_source=f8a446aa-c491-43a1-9fd6-561f9bbd23d5&utm\_content=immediately">here.</a></p>

<p>A charity organisation, RESET has launched a new website to register and match sponsors in the UK with people from Ukraine: <a

<h4><strong>Advice for Ukrainian people</strong></h4>

<h4>You wish to come to the UK to join your family in the UK</h4>

<p>The UK government have announced that British nationals and people of any nationality settled in the UK will now be supported to bring their immediate family (spouse, partner or minor children) and/or their parents, grandparents, adult children and siblings from Ukraine to the UK.&nbsp;  Normal visa requirements to meet a minimum income or language tests will be waived.</p>

<p>People in the region who are eligible under this route are encouraged to call the helpline on&nbsp;<strong><a href="tel:0808 164 8810">0808 164 8810</a></strong>&nbsp; and to go to a Visa Application Centre in a neighbouring country to enrol biometrics once they have submitted an application.</p>

<p>The UK government have set up a website to provide information and further updates which you can find<a href="https://www.gov.uk/guidance/support-for-family-members-of-british-nationals-in-ukraine-and-ukrainian-nationals-in-ukraine-and-the-uk#non-british-family-members-of-british-nationals-in-ukraine">&nbsp; here</a>.</p>

<h4>You want to come to the UK (without family in the UK)</h4>

<p>Ukrainian nationals in Ukraine (who are not eligible under the family route) are currently unable to make visa applications to visit, work, study or join family in the UK through a Visa Application Centre in Ukraine. You will need to travel to a Visa Application Centre in Hungary, Belarus, Moldova or Poland.</p>

<p>The UK government have recently announced a new scheme that will allow communities, private sponsors or local authorities to sponsor people to come to the UK from Ukraine.&nbsp;  This new scheme is called 'Homes for Ukraine'.&nbsp;  The government have published <a

href="https://www.gov.uk/government/publications/homes-for-ukraine-factsheet-for-ukrainians?utm\_medium=email&utm\_campaign=govuk-notifications-topic&utm\_source=6e5ea7f2-8f14-45f6-9e21-6b53bda8b9c0&utm\_content=immediately">factsheets</a> in English,

Ukrainian and Russian, setting out how you can apply to the scheme.&nbsp;  &nbsp; They have also published a set of frequently asked questions on the scheme that you can find <a href="https://www.gov.uk/guidance/homes-for-ukraine-scheme-frequently-asked-questions?utm\_medium=email&utm\_campaign=govuk-notifications-topic&utm\_source=f8a446aa-c491-43a1-9fd6-561f9bbd23d5&utm\_content=immediately">here.</a></p>

<p>This <a href="https://www.pilnet.org/resource/ukraine-resources/">website</a> contains a number of resources aimed at people who have fleeing the conflict in Ukraine.</p>

<h4>You live in the UK and need to extend your stay</h4>

<p>The UK government has agreed concessions to allow you to extend your visa. You can&nbsp;<a href="https://www.gov.uk/guidance/support-for-family-members-of-british-nationals-in-ukraine-and-ukrainian-nationals-in-ukraine-and-

the-uk#non-british-family-members-of-british-nationals-in-ukraine">find the details here</a>.</p>

<h4>You live in the UK and would like to claim asylum</h4>

<p>Although each person's asylum case is assessed on its merits, the UK government currently considers that the Ukraine Government is capable of protecting its citizens. Therefore, the grounds for claiming asylum as a Ukrainian national are currently very narrow.</p>

<p><a href="https://www.freemovement.org.uk/can-ukrainians-take-refuge-in-the-uk-immigration-concessions-and-asylum-policy/">Read here for more information</a>. This may change depending on how the situation unfolds over the coming days and weeks.</p>

<p>If you need an immigration advisor to help you understand your options, a new free service called <a href="https://advice-ukraine.co.uk/">'Advice-Ukraine'</a> may be able to help.&nbsp;The <a href="https://www.asaproject.org/resources/organisations-who-can-help">organisations on this list</a> may also be able to help you access a legal representative.</p>

<p>If you are destitute you can contact our&nbsp;<a href="https://www.refugeecouncil.org.uk/get-support/services/infoline/">Infoline</a> on <a href="tel:0808 196 7272">0808 196 7272</a> to access support services in your area. The Infoline is a live national Freephone line open Mondays and Thursdays between 9:30am and 12:30pm.</p>

[Ukraine border regions](/destinations/ukraine-border-regions "Ukraine border regions") information page outlines the requirements for leaving Ukraine by road for Australian citizens. Read the travel advice of the [destination](https://www.smartraveller.gov.au/destinations) to make sure you meet the entry requirements. Conditions may change at short notice.

- [Register online](https://crisis.dfat.gov.au/) with DFAT.
- Follow the instructions of Ukrainian authorities.
- Monitor reputable local and international media
- If you have significant concerns for your welfare, or that of another Australian, contact the Consular Emergency Centre on +61 2 6261 3305.

### For concerned family or friends of Australians overseas:

- Attempt to contact the person by phone, email and/or social media to confirm they're safe. If at first you can't make contact, stay calm, be patient and keep trying. Services may be affected.
- If you can't make contact and are still concerned, contact the Consular Emergency Centre on 1300 555 135, (or if you are overseas on +61 2 6261 3305)

<p>If you're in Ukraine, be aware of your surroundings and review your personal security plans. Continue to monitor advice on Smartraveller and reputable local and international media&nbsp;about changing security conditions and alerts to shelter in place.</p>

Follow the advice of local Ukrainian authorities.</p>

<p>Do not enter into new surrogacy arrangements. If despite our advice, you take part in commercial surrogacy arrangements, the Australian Government will not be able to evacuate you or your child from Ukraine.&nbsp;Russian military action in Ukraine has severely limited our ability to provide consular and passports assistance to Australians. Our Embassy is temporarily closed and officials have relocated to Poland.&nbsp;It will not always be possible for the Australian Government to assist you; Australians should not expect increased consular support.&nbsp;</p>

plans, where and how you are. Don't

Australians in need of consular assistance should call the Australian Government 24-hour Consular Emergency Centre on 1300 555 135 in Australia or +61 2 6261 3305 outside Australia.

Russian-backed armed groups control parts of Donetsk and Luhansk.

Foreigners have been threatened, detained and kidnapped in these regions. This could occur anywhere in Ukraine. Landmines are prevalent throughout the area. They have killed civilians in Donetsk and Luhansk in recent years. Foreign nationals have been given death sentences in these areas for engaging in the war in Ukraine.

Crimea isn't under Ukrainian Government control, having been illegally occupied by Russia since 2014. There's a risk of armed conflict along the administrative border.

#### Leaving Ukraine

Where it's safe to do so you should depart Ukraine. Use your judgement to decide the best time and safest means of exit. Transport routes may be disrupted. Ukraine airspace is closed.

Plan for delays at land border crossings. Expect disruption to travel and changes at short notice. Make sure you have an adequate supply of food, water, medication and fuel.

Continue to read the travel advice of your destination to make sure you meet the entry requirements, as these may differ when entering by road, rail or air. Be aware that some borders may close without notice. Any travel options you pursue are taken at your own risk. For more information on entry requirements for countries bordering Ukraine read the 'Ukraine and border regions' page and the travel advice:

- [Slovakia](/destinations/europe/slovakia)

In most cases Australians departing Ukraine must present a valid Australian passport.

#### Consular assistance

If you're at the border and need consular assistance or you have significant concerns for your welfare, or that of another Australian, contact the Consular Emergency Centre on 1300 555 135 in Australia or +61 2 6261 3305 outside Australia.

On 22 February, the Australian Government directed the departure of Australian Embassy staff from Ukraine due to the volatile security situation. All staff have departed. Our Embassy is temporarily closed. Australian Embassy officials have relocated to Poland.

Russian military action in Ukraine has severely limited our ability to provide consular assistance to Australians and Australians should not expect increased consular support. The Australian Government will not be able to evacuate you from Ukraine.

#### Registration

If you're unable to depart Ukraine or choose to remain, register your whereabouts on DFAT's [registration portal](https://crisis.dfat.gov.au/crisisportal/s/) for Australian citizens in Ukraine, due to the volatile security environment and military conflict in the country.

You should only register if you're in Ukraine and:

- an Australian citizen
- an Australian permanent resident (PR), or
- an immediate family member of an Australian citizen or PR

[Click here to register.](https://crisis.dfat.gov.au/)

Keep your registration details up to date in case we need to contact you.

Subscribe and follow the advice on the [Smartraveller website](#)

and [social media](/about-us/social-media "Social media").

If despite our advice you remain in Ukraine:

- Follow the advice of Ukrainian authorities.

- Keep your passport and other travel documentation safe.

- Contact your friends and family in Australia so they're aware of your location, situation and any travel plans.

- Make contingency plans to leave as soon as you judge it's safe to do so.

- Stay in a safe place and limit your movements. Ensure you have a supply of food, water, batteries, money and other essentials.

- Adopt effective personal security measures. Always be alert and aware of your surroundings.

- Shelter in a hardened structure and stay away from windows. Identify the location of the closest bomb shelter

- Keep up to date with developments on the security situation. Monitor reputable local and international media. Regularly check our travel advice.

- Avoid large gatherings and areas with groups of fighters and military equipment.

The conditions in Ukraine are changing rapidly due to Russia's invasion. This means local rules listed in the travel advice may not reflect the current situation.

#### Civil unrest and political tension

Public protests and events that draw large groups of people can turn violent. In Kyiv, large demonstrations have taken place around the Maidan Nezalezhnosti, St Michael's Square, outside the Presidential Administration, Parliament and other government offices.

#### Demonstrations and protests

The security situation in Ukraine continues to be volatile. Public protests and events that draw large groups of people can turn violent.

Civil unrest can cause road closures and disrupt local transport.

Political unrest can occur in Ukraine without warning. Actions include the occupation of public areas and government buildings or blockages of roads by large groups of people.

Be aware of protests from November to March to mark anniversaries of the Maidan Revolution.

To protect yourself during periods of unrest:

Terrorism is a threat worldwide.

#### Crime

#### Petty crime

[Robberies](/before-you-go/safety/theft-robbery "Theft and robbery"), pickpocketing and bag snatching occur:

- on public transport
- at crowded markets
- in popular tourist areas
- in bars and nightclubs

Street crime and muggings increase at night.

To protect yourself from crime:

- pay close attention to your belongings
- carry only what you need

Cases of drink spiking have been followed by robbery. To reduce your risk:

- don't accept food or drinks from people you don't know
- never leave food or drinks unattended

#### Scams

Be careful with your credit card.&nbsp;<a data-entity-substitution="canonical" data-entity-type="node" data-entity-uuid="35dbd3d4-70b3-48a0-a608-e3a04e93fef0" href="/before-you-go/safety/scams" title="Scams that affect travellers">Scams</a>&nbsp;such as card skimming and those related to using ATMs occur.

Street scams are very common. Criminals often target foreigners.

Be aware of&nbsp;&nbsp;bogus internet friendship, dating and marriage schemes from Ukraine.

If a virtual friendship develops, you may be asked by your new friend or prospective partner to send money so they can travel to Australia or pay bills. In some cases, the relationship ends with very little chance that any money can be recovered.

Be wary of any dating or marriage proposals from people you meet online.

Online scammers may also claim to be stuck at a Ukrainian hospital, airport or an isolated place and need money to leave.

We can't offer advice on specific schemes.

To avoid scams:

- use ATMs in banks and reputable international hotels

- avoid ATMs that open onto the street, especially at night

- always keep your credit card in sight

- be wary of anyone asking for bank account details or personal data

- be wary of people you meet online who then begin asking for money

#### Climate and natural disasters

If you're visiting an area recently affected by [severe weather](/while-youre-away/crisis-or-emergency/severe-weather-incident "There's a severe weather incident"):

- confirm your plans with your tour operator

- check conditions with local tour operators and hotels

[tick-borne encephalitis](https://www.who.int/immunization/diseases/tick_encephalitis/en/) (World Health Organization), are a risk in forested areas.

Ticks are common from spring to autumn.

To protect yourself from disease:

- use insect repellent
- wear long, loose, light-coloured clothing

Check your body for ticks during and after visiting forests.

Remove ticks from your body as soon as you can.

#### Measles

Measles cases can routinely occur in Ukraine, with the country currently experiencing an increase in measles activity. Make sure your vaccinations are up-to-date before travelling.

#### HIV/AIDS

[HIV/AIDS](https://www.who.int/news-room/fact-sheets/detail/hiv-aids) is a risk for travellers.

Take steps to reduce your risk of exposure to the virus.

#### Polio

Ukraine reported an outbreak of [polio](https://www.who.int/news-room/fact-sheets/detail/poliomyelitis) in October 2021. Due to low vaccination rates in Ukraine, polio poses a serious risk to young children.

Check your [polio](https://www.who.int/news-room/fact-sheets/detail/poliomyelitis) (World Health Organization) vaccinations are up to date before you travel. You may need a booster dose.

#### Other health risks

<p>Medical staff outside of major centres often do not speak English, except in private clinics. Reports, prescriptions and other documents won't be in English.</p>

<p>If you become ill or injured, you may need to be evacuated. Medical evacuation can be very expensive.</p>

<p>Penalties for being caught in possession of drugs are severe. Convicted offenders can expect jail sentences and fines.</p>

<h4>Other laws</h4>

<p>Always carry your passport.</p>

<h4>Surrogacy</h4>

<p><span><span><span><span>Do not enter into new surrogacy arrangements. Due to the Russian invasion, the security situation continues to be volatile and could deteriorate suddenly. Missile strikes and attacks are ongoing in some locations across the country, including in major cities. There's a risk to life. See '<a href="#safety">Safety</a>'.</span></span></span></span></p>

</span></span></span></span></p>

Some surrogacy agencies have been prevented from fulfilling their obligations on their surrogacy contracts since Russia's invasion, causing a significant increase in costs for the intended parents.

If despite our advice, you take part in commercial surrogacy arrangements, the Australian Government will not be able to evacuate you or your child from Ukraine. Russian military action in Ukraine has severely limited our ability to provide consular and passports assistance to Australians. Our Embassy is temporarily closed and officials have relocated to Poland. It will not always be possible for the Australian Government to assist you; Australians should not expect increased consular support.

You may need to spend time in Ukraine before and after the birth. You may have to travel to the nearest Australian mission, at your own expense, to obtain a travel document for your child. Your child will likely need to stay in Ukraine while you obtain the appropriate travel document. Be aware of all legal and other risks involved.

Surrogacy is regulated by Ukrainian law. Get independent legal advice.

Research prospective clinics to ensure that you're dealing with a reputable organisation.

The Australian Embassy can't provide:

- legal advice about surrogacy
- information on clinics

If, despite our advice, you choose to enter Ukraine, you're encouraged to register your whereabouts on DFAT's registration portal for Australian citizens in Ukraine. Make sure you have up to date visas and passports. Keep your registration details up to date in case we need to contact you.

Subscribe and follow the advice on the [Smartraveller website](/destinations/europe/ukraine "Ukraine") and [social media](/about-us/social-media "Social media").

You need to carefully consider the risks when entering and departing Ukraine. Any travel options you pursue are taken at your own risk. You're responsible for your own safety and that of your family. The Australian Government can't offer advice on the safety of travelling to departure points.

If you're in Ukraine, make sure that you have plans in place to leave Ukraine as soon as it's safe to do so. If your departure plan involves a vehicle see '[Local Travel](#local-travel)'.

Australian laws

Australian law prohibits Australian citizens and residents, and holders of Australian visas, from engaging in hostile activities overseas unless serving in the armed forces of a foreign country. Foreigners have been killed and may be targeted. If you engage in active combat your safety is at the highest risk.

Do not travel to Ukraine, there is a risk to life. If despite our advice, you travel to Ukraine to fight with a non-government armed group on either side of the conflict – or recruit another person to do so (including inducing, inciting or encouraging) – your activities may amount to criminal offences. Foreign nationals have been given death sentences by Russian proxies in the Donetsk region for engaging in the war in Ukraine.

Some Australian criminal laws still apply when you're overseas. If you break these laws, you may face prosecution in Australia.

#### MH17 crash site

On 17 July 2014, Malaysia Airlines flight MH17 from Amsterdam to Kuala Lumpur was shot down near Hrabove in the separatist-controlled part of Donetsk province.

Investigations into the crash are continuing.

Do not travel to this area due to ongoing armed conflict in the surrounding vicinity.

If, despite our advice, you go to the crash site, don't touch or take any materials relating to the crash.

#### Driving permit

To drive in Ukraine, you'll need an International Driving Permit (IDP).

Get your IDP before you leave Australia.

When you drive, you must carry:

- original vehicle registration papers
- ownership documents
- insurance papers

You'll need to show them at border crossings or if stopped by police. This includes rental vehicles.

When crossing a border in a private vehicle, you'll need to carry a Green Card to prove you have the minimum insurance required by the country you're driving in. You may be able to obtain a Green Card at the insurance company offices at some border crossings, or you should contact your insurance provider.

Read more
information from the
Ukrainian Government on border crossing
or call the SBGSU Hotline on 1598 from a Ukrainian mobile.

If you decide to leave Ukraine by road, check the travel advice on [Smartraveller](https://smartraveller.gov.au/destinations) for the safety risks and entry requirements of the country you're entering.

#### Road travel

Driving in Ukraine can be dangerous.

Due to the Russian invasion of Ukraine, roads may be crowded, exposed to military action or have damage, including to bridges and facilities. See '[Safety](#safety)'.

Hazards include:

- poorly lit and maintained roads
- aggressive or speeding drivers
- drivers who ignore road rules
- drunk drivers
- unsafe vehicles on rural roads

<p>It's common to park on footpaths.</p>  
<p>Driving with a blood alcohol reading above 0% is illegal.</p>

COVID-19 preventative measures and restrictions are still in effect in some destinations.

These could include:

- curfews, movement restrictions, or lockdowns
- mandatory mask use
- required proof of vaccination or a COVID-19 test result to access public and private services and spaces

Before travelling, verify if specific restrictions or requirements are still in effect.

Crimea

The Russian Federation has illegally occupied and annexed Crimea. The area is heavily militarized and Russian authorities have strict control over the area.

Canada doesn't recognize Russia's illegal annexation of Crimea and continues to consider Crimea to be sovereign Ukrainian territory. The Embassy of Canada to Russia in Moscow is only accredited to Russia and therefore cannot provide services in Crimea.

Due to the ongoing situation, the Embassy of Canada to Ukraine in Kyiv has extremely limited access to consular clients.

Donetsk and Luhansk Oblasts

Russian-backed separatists continue to control sections of Donetsk and Luhansk oblasts.

There is a de facto dividing line, known as the Contact Line, between Ukrainian government-controlled areas (Government Controlled Areas, GCA) and separatist-held areas (Non-Government Controlled Areas, NGCA) of Donetsk and Luhansk oblasts. There are managed crossing points across the contact line in both oblasts.

Non-Government Controlled Areas (NGCA)

The security situation in the NGCA, and the area within 20 km from the contact line inside the GCA, remains unstable due to armed conflict,

including direct and indirect fire. There are occasional bombings in the NGCA.

There are numerous checkpoints controlled by separatist forces within the NGCA. Separatist groups have sometimes threatened, detained or kidnapped individuals at NGCA checkpoints.

Our ability to provide consular assistance to Canadians in the NGCA of the Donetsk and Luhansk oblasts is extremely limited.

Government Controlled Areas (GCA)

There are numerous checkpoints controlled by government forces within the GCA.

Uncleared minefields and other remnants of war are present in numerous areas of the oblasts, especially in rural areas.

If you intend to travel in either of the oblasts despite the advisories, it is highly recommended you mitigate risks by conducting secure route planning, consulting with local authorities and/or experienced local partners, and monitoring the security situation where you are travelling.

If you are in the Donetsk and Luhansk oblasts:

- maintain a low profile
- be vigilant at all times
- avoid all demonstrations and large gatherings
- follow the instructions of local authorities
- monitor local media for the latest information

Crime

Petty crime, such as pickpocketing, is common, particularly:

- in crowded places
- in tourist areas
- in bars and nightclubs
- on public transportation

In central Kyiv, criminal activity, including muggings, is more prevalent at night. Ensure that your belongings, including your passport and other travel documents, are secure at all times. Avoid showing signs of affluence and carrying large sums of cash.

Harassment and assaults can happen against racialized communities. Local authorities may not respond to racially motivated violence and harassment.

Armed robbery can occur, especially in the larger cities.

Weapons, including small arms and explosives, are present in all areas of the country. On occasion, personal disputes between individuals may involve the use of these weapons. Violent incidents, such as shootings, can occur in both residential and public areas. Tourists are not particularly targeted, but you could find yourself in the wrong place at the wrong time. Be aware of your surroundings and remain vigilant.

Small-scale bombings and bomb threat hoaxes

Small-scale targeted bombings, including car bombs, have on occasion occurred in Ukraine, including in Kyiv. Attacks are generally linked to criminal activity or are politically motivated with the intent to damage property. Some attacks have resulted in casualties. There is a risk of being in the wrong place at the wrong time. Always be alert when in public places.

Bomb threat hoaxes are common and can target any location, including, but not limited to:

- shopping malls
- transportation hubs
- government facilities
- schools
- public spaces

If you are in an area affected by a bomb threat, follow the instructions of local authorities and evacuate calmly.

Fraud

Credit card and ATM fraud occurs. Be cautious when using debit or credit cards:

- pay careful attention when your cards are being handled by others
- use ATMs located inside a bank or business
- avoid using card readers with an irregular or unusual feature
- cover the keypad with one hand when entering your PIN
- check for any unauthorized transactions on your account statements

Investment fraud

Unsolicited emails offering enticing business or financial opportunities are most likely fraudulent.

Don't travel to Ukraine with the intention to obtain restitution after losing money to a scam.

If you plan on buying property, or making other investments in Ukraine, seek legal advice in Canada and in Ukraine. Do so before making commitments. Related disputes could take time and be costly to resolve.

Scams

Scammers often target tourist areas and hotels.

Some bars and nightclubs may try to charge exorbitant prices. Discussions about overcharging may lead to threats of violence and security guards may force you to pay. Avoid running a tab or leaving your credit card with bar or restaurant staff.

Stay alert to possible street scams.

One common scam involves a person dropping a wallet or a bundle of money in front of a tourist, hoping the tourist will pick it up. The scammer then accuses the tourist of stealing some of the money. These scams can involve several crooks, some posing as police officers. If this happens to you, don't pick up the dropped items. Simply walk away without engaging in conversation.

Romance scams

If you're travelling to Ukraine to meet someone you've otherwise only met online, you may be the victim of a scam. Be alert to attempts at fraud by persons who profess friendship or romantic interest over the internet.

[More about overseas fraud](https://travel.gc.ca/travelling/health-safety/overseas-fraud)

Spiked food and drinks

Never leave food or drinks unattended or in the care of strangers. Be wary of accepting snacks, beverages, gum or cigarettes from new acquaintances, as they may contain drugs that could put you at risk of sexual assault and robbery.

Demonstrations

Demonstrations take place frequently. Even peaceful demonstrations can turn violent at any time. They can also lead to disruptions to traffic and public transportation.

- Avoid areas where demonstrations and large gatherings are taking place
- Follow the instructions of local authorities
- Monitor local media for information on ongoing demonstrations

[Mass gatherings \(large-scale events\)](https://travel.gc.ca/travelling/health-safety/mass-gatherings)

Terrorism

There is a threat of terrorism in Europe. Terrorists have carried out attacks in several European cities and further attacks are likely.

Targets could include:

- government buildings, including schools
- places of worship
- airports and other transportation hubs and networks
- public areas such as tourist attractions, restaurants, bars, coffee shops, shopping centres, markets, hotels and other sites frequented by foreigners

Always be aware of your surroundings when in public places. Be particularly vigilant if attending sporting events and during religious holidays and other public celebrations, as terrorists have used such occasions to mount attacks.

START Road safety

Road safety

Travel by road can be hazardous. Most roads outside major cities are poorly maintained. Drivers are often aggressive and have little regard for traffic regulations. Pedestrians and cyclists should be particularly careful.

Avoid driving at night outside major cities. Limited road visibility, poor vehicle maintenance and intoxicated drivers pose hazards.

While roadside services such as repair facilities exist, they are frequently inadequate.

END Road safety

Public transportation

Kyiv has a punctual and reliable metro system. Buses, however, are usually overcrowded and in poor condition.

At airports, order a taxi from a designated taxi booth within the arrivals terminal or use a trusted ride-sharing app.

Don't hail a taxi on the street. Instead, order one from your hotel or use a trusted ride-sharing app. Negotiate fares in advance, as you may be overcharged.

Exercise caution on trains,

particularly at night, due to the risk of robbery and muggings. Store personal belongings and travel documents in a safe place and don't leave the compartment unattended. Ensure that the door is secured from the inside.

Air travel

We do not make assessments on the compliance of foreign domestic airlines with international safety standards.

[General information about foreign domestic airlines](http://travel.gc.ca/air/foreign-domestic-airlines)

Chornobyl

Following the disaster at the Chornobyl nuclear power plant, an exclusion zone of 30 km was established by local authorities which includes the cities of Prypiat and Chornobyl. The exclusion zone remains radioactive. Access to this zone is strictly restricted and must be arranged through a specialized tour operator. Anyone visiting Chornobyl must follow the safety instructions issued by the State Agency of Ukraine on Exclusion Zone Management.

[Safety instructions](http://dazv.gov.ua/en/news-and-media/do-you-know-which-rules-of-safety-are-available-and-why-do-you-need-to-follow-them.html) - State Agency of Ukraine on Exclusion Zone Management

General safety information

Tourist facilities outside major centres aren't usually highly developed. Plan ahead to minimize safety risks.

- reconfirm the requirements with your airline or tour operator

The situation could disrupt your travel plans. You should not depend on the Government of Canada for assistance to change your travel plans.

Passport

Entry requirements vary depending on the type of passport you use for travel.

Before you travel, check with your transportation company about passport requirements. Its rules on passport validity may be more stringent than the country's entry rules.

Regular Canadian passport

Your passport must be valid for at least 6 months beyond the date you expect to leave from Ukraine.

Passport for official travel

Crimea and Donetsk and Luhansk Oblasts

Ukrainian authorities will refuse entry to foreigners who attempt to enter Ukraine from Russia through Crimea or

separatist-controlled areas in Donetsk and Luhansk oblasts.

If you choose to travel to these areas despite the current risk level, you must first obtain a special permit from Ukrainian authorities. To travel to Crimea, permission is required from the State Migration Service of Ukraine. To travel to the Non-Government Controlled areas of Donetsk and Luhansk oblasts, one needs a special permit from the Security Service of Ukraine.

The Ukrainian government requires that this permit be presented, along with your passport, at designated checkpoints along the administrative boundary of the occupied Ukrainian territory.

If you don't enter Crimea or Non-Government Controlled Areas of Donetsk and Luhansk oblasts through the designated Ukrainian checkpoints, you will be banned from entering Ukraine in the future.

Vaccination should be considered for travellers going to areas where rabies exists and who have a high risk of exposure (e.g., are children, have an occupational risk, or in close contact with animals, including free roaming dogs in communities).

Measles

Measles is a highly contagious viral disease. It can spread quickly from person to person by direct contact and through droplets in the air.

Anyone who is not protected against measles is at risk of being infected with it when travelling internationally.

Regardless of where you are going, talk to a health care professional before travelling to make sure you are fully protected against

Hepatitis B

[Hepatitis B](http://travel.gc.ca/travelling/health-safety/diseases/hepatitis-b)

is a disease of the liver spread through blood or other bodily fluids. Travellers who may be exposed (e.g., through sexual contact, medical treatment, sharing needles, tattooing, acupuncture or occupational exposure) should get vaccinated.

COVID-19

[Coronavirus disease \(COVID-19\)](https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection.html)

is an infectious viral disease. It can spread from person to person by direct contact and through droplets in the air.

It is recommended that all eligible travellers complete a COVID-19 vaccine series along with any additional recommended doses in Canada before travelling. Evidence shows that vaccines are very effective at preventing severe illness, hospitalization and death from COVID-19. While vaccination provides better protection against serious illness, you may still be at risk of infection from the virus that causes COVID-19. Anyone who has not completed a vaccine series is at increased risk of being infected with the virus that causes COVID-19 and is at greater risk for severe disease when travelling internationally.

For destination entry and exit requirements, including for COVID-19 vaccination requirements, please check

Regardless of where you are going, talk to a health care professional before travelling to make sure you are adequately protected against COVID-19.

Influenza

Seasonal influenza occurs worldwide. The flu season usually runs from November to April in the northern hemisphere, between April and October in the southern hemisphere and year round in the tropics. Influenza (flu) is caused by a virus spread from person to person when they cough or sneeze or by touching objects and surfaces that have been contaminated with the virus. Get the flu

shot.

Polio - Proof of vaccination required

Polio is present in this country. Polio can be prevented by vaccination, which is part of the

routine vaccines for children in Canada.

Recommendation:

- Be sure that your vaccination against polio is up to date.

- One booster dose of the polio vaccine is recommended for adults.

-

Proof of vaccination:

If you are staying more than 4 weeks in this country, you may need to show proof of polio vaccination when you leave the country.

Make sure that the polio vaccination is documented on the International Certificate of Vaccination or Prophylaxis. This is the only document accepted as proof of vaccination. In Canada, they are provided at

Yellow Fever Vaccination Centres.

Carry the certificate as proof of vaccination.

Food and Water-borne Diseases

Travellers to any destination in the world can develop travellers' diarrhea from consuming contaminated water or food.

In some areas in Eastern Europe, food and water can also carry diseases like

hepatitis A. Practise

[safe food and water precautions](http://travel.gc.ca/travelling/health-safety/food-water) while travelling in Eastern Europe. When in doubt, remember...boil it, cook it, peel it, or leave it!

Travellers' diarrhea is the most common illness affecting travellers. It is spread from eating or drinking contaminated food or water.

Risk of developing travellers' diarrhea increases when travelling in regions with poor standards of hygiene and sanitation. Practise safe food and water precautions.

The most important treatment for travellers' diarrhea is rehydration (drinking lots of fluids). Carry oral rehydration salts when travelling.

Insects and Illness

In some areas in Eastern Europe, certain insects carry and spread diseases like

Crimean-Congo hemorrhagic fever

Lyme disease

tick-borne encephalitis, and

West Nile virus

Travellers are advised to take precautions against bites.

Animals and Illness

Travellers are cautioned to avoid contact with animals, including dogs, snakes, rodents, and bats. Certain infections found in Eastern Europe, like

rabies, can be shared between humans and animals.

Person-to-Person Infections

Crowded conditions can increase your risk of certain illnesses. Remember to

wash your hands often and practice proper cough and sneeze etiquette to avoid colds, the

flu and other illnesses.

Sexually transmitted infections (STIs)

<https://www.canada.ca/en/public-health/services/diseases/hiv-aids.html>
data-cke-saved-href="https://www.canada.ca/en/public-health/services/diseases/hiv-aids.html">HIV are spread through blood and bodily fluids; practise safer sex.

Tuberculosis is an infection caused by bacteria and usually affects the lungs.

For most travellers the risk of tuberculosis is low.

Travellers who may be at high risk while travelling in regions with risk of tuberculosis should discuss pre- and post-travel options with a health care professional.

High-risk travellers include those visiting or working in prisons, refugee camps, homeless shelters, or hospitals, or travellers visiting friends and relatives.

Medical services and facilities

COVID-19 - Testing facilities

Consult the following links to find out where you can get a COVID-19 test:

- <https://visitukraine.today/> Local COVID-19 testing facilities - Visit Ukraine, Ukrainian Tourism Association

Health care standards vary throughout the country. Facilities are limited outside major cities. Doctors and nurses may not be able to communicate in English (or French) and not all hospitals have translation services available.

Medical evacuation can be very expensive and you may need it in case of serious illness or injury.

Make sure you get travel insurance that includes coverage for medical evacuation and hospital stays.

<https://travel.gc.ca/travelling/health-safety> Travel health and safety

Keep in Mind...

The decision to travel is the sole responsibility of the traveller. The traveller is also responsible for his or her own personal safety.

Be prepared. Do not expect medical services to be the same as in Canada. Pack a travel health kit, especially if you will be travelling away from major city centres.

International Child Abduction

The Hague Convention on the Civil Aspects of International Child Abduction is an international treaty. It can help parents with the return of children who have been removed to or retained in certain countries in violation of custody rights. The convention applies between Canada and Ukraine.

If your child was wrongfully taken to, or is being held in Ukraine, and if the applicable conditions are met, you may apply for the return of your child to the Ukrainian court.

If you are in this situation:

- act as quickly as you can
- contact the Central Authority for your province or territory of residence for information on starting an application under The Hague Convention
- consult a lawyer in Canada and in Ukraine to explore all the legal options for the return of your child
- report the situation to the nearest Canadian government office abroad or to the Vulnerable Children's Consular Unit at Global Affairs Canada by calling the Emergency Watch and Response Centre

If your child was removed from a country other than Canada, consult a lawyer to determine if The Hague Convention applies.

Be aware that Canadian consular officials cannot interfere in private legal matters or in another country's judicial affairs.
